FROM THE PRINCIPAL

Kia ora koutou,

Welcome to Florence (Floss) Strong who has joined Room 1. Florence and her family have moved from Australia. Florence's father, David, is an ex-Tasman student.

Thank you to those families and students who contributed to the Moutere Hills Athletics Day. It was nice to see the awards distributed a little more evenly across the schools. Special mention must go senior baton relay team consisting of Zefa Fa'avae, Sam Johnson, Nikau McMurray and Lochy Shand. Congratulations to Nikau McMurray on his achievement of winning the Peace Shield at the end of the day's events.

It has been a busy week with trips and we really appreciate your support with transport. Next week we do continue to see a number of other trips. After this, most year groups should have a quieter run to the end of the year. Although, we will see the Year 3, 4 and 5 students heading to Kaiteriteri for an overnight camp on December 11th.

On Saturday we reach the finale of the Art Bid Win. The Tasman School Fundraising Association have been working non-stop on this project supporting the organisation of this event. A big thank you to the team for all their efforts to create this event. Special mention must go to Anna Simpson for all her work developing the system for the auctions and developing connections with artists.

Thanks,

Rob

Look at the progress with the changing sheds and the Pool. The builders have been very busy getting the drainage in and the bones of the structure erected. It will be exciting to see the progress from week to week.

Below is Thomas Genet running at the Athletics Day.

Some of the classrooms have had a chance to visit Darryl Frost's studio 'Playing With Fire' where he is hosting the Art Auction tomorrow. The children were very impressed with the art on display and thoroughly enjoyed their visit.

Lexia Certificates:

Room 1

Boston Talijanich

Room 2
