

UPCOMING EVENTS:

Monday 1 June
Queens Birthday

Friday 3 July
End of Term 2

FROM THE PRINCIPAL

Kia ora koutou,

Well done everyone on completing the first week back at school. As parents you've done a superb job of keeping things settled for your children during Alert Level 4 and 3. As a staff we've been very fortunate. I'm sure the students have enjoyed reconnecting with their friends. There will be some tired children this afternoon.

Thank you to everyone for respecting the drop off and pick up procedures. We will run with the current format for at least another week. We won't have a staff member checking the field gate as there are only a small number of parents coming this way. If you do come through this gate beyond the rugby posts, please sign in with Chris at the top carpark.

This week we have welcomed four new students to our school. Welcome to Annabelle Tristram (Tui Class), Elijah Poepjes (Kea Class), and Georgia and Lani Erickson (Kereru Class). We hope that you all settle into Tasman School and that you enjoy meeting the other families in our school community over the coming weeks. I'm sure that everyone will make you feel welcome.

In terms of naming the school weeks, the week we have just finished in Week 6. We are in a twelve week term, since the April school holidays were moved forward. Please note the teacher only day scheduled for Tuesday June 2nd has been cancelled. An email was sent earlier this week with details surrounding this decision.

Have a relaxing weekend.

Ngā mihi nui,

Rob

Life Education Trust

This week we had the Life Education bus at Tasman School.

The children were very excited to meet Harold the ambassador.

The teaching involved is all health based and educates children to make healthy choices and understand more about their own well-being.
